Noa's Meadow Math

Start with the warm-up. Then use the number bond to make ten, and add. Try the star if you want.

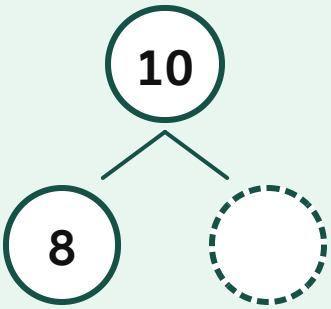

Warm-up

Add or take away. Watch the equal sign.

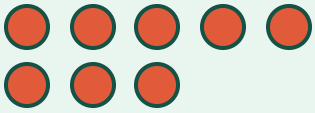

4 + 6 = ☐ **☐ = 3 + 7** **10 = 8 + ☐** **9 − 4 = ☐**

Picture puzzle

Nilo has 8 berries. How many more make 10?

8 berries

Make ten to add

Split the second number so you can make ten first. Write the sum.

8 + 5 → 8 + 2 = 10, and 3 more, so 10 + 3 = ☐

7 + 6 → 7 + 3 = 10, and 3 more, so 10 + 3 = ☐

10 and 4 make ☐ **17 is 1 ten and ☐ ones**

Nilo found 9 berries. Tula found 5 more. How many berries in all? ☐

★ Star challenge (if you want)

Tula had 15 seeds and gave 6 to Nilo. How many seeds does Tula have left? ☐
