Red Paw and the Gold Leaves

Red Paw is a lucky cat. He lives in a big oak tree on a quiet hill.

One windy morning, gold leaves spun off the tree. They fell on the path. Red Paw did not want the tree to look bare.

He climbed up the trunk. He tucked the gold leaves back on the branches. Then he hung his little gold bell on a low limb.

Friends came to see. The bell rang in the wind, and the tree shone. "Thank you, Red Paw!" they said. Red Paw sat tall and waved his paw.
